 to happen in **2012** ... it's really funny because certain paradigms even now are
 what's happening in **2012** always go back to the Precession of the Equinox Cycles
 with what in **2012**. And even the Mayans knew and that's why it's the
 Galactic Core in **2012**. There is information The reason why by the time we

 in preparation for **2012** with the information on what is called the Silver Seed
 coming in in **2012**. We'll understand a lot more about that once we see
 to do with **2012**. But there is something that we haven't talked about in
 beginning in the **2012** cycle. Now we haven't heard about the Sphere of Amenti

Page: 5

 this is about **2012** and moving up to 2012 and what that's about When

 more about what **2012** is about as we go on, and it's just kind

Page: 71

 this done in **2012**; it's called the Mirror in the Sky, where we're going

Page: 72

 time, because in **2012** ... we will have preparation for this. We may be

 Seed Awakening in **2012** If that's the only option left, it will still

Page: 73

 some point, by **2012**, have a pretty strong manifesting crew together to make sure

 to roll in **2012**. I'm excited about what they're teaching here, because it's where

Page: 76

 well, so when **2012** occurs it's ready to fully activate. So a part of

 of Amenti in **2012**, because of what we're starting tonight, a part of the

Page: 77

 we get to **2012** for the Metatronic stuff So that will not flip over

Page: 83

 are occurring in **2012** and what we're actually trying to counteract Because, as we

Page: 85

 are occurring in **2012** these are progressively activating The Caduceus Rods have to do

 to fruition in **2012**. So what we have here is they actually split them,

Page: 86

 that's coming in **2012**. So what we have here is they first shifted them

 occurring with the **2012** alignment. We'll go heavier into that when we have the

 this timeframe in **2012** into that 10,984 BC period, into the Toral Rift and

Page: 88

 their way in **2012** the whole thing would be history before too long, because

Page: 89

 will succeed in **2012**, I mean they are not going to finish their great

 great mission in **2012**, but what this might look like as far as how

Page: 90

 thing into the **2012** alignment. So it's kind of like, we're in amazing times.

Page: 97

to fulfill the **2012** thing. So it's a big mission we're a part of

Page: 99

 with what in **2012** as far as Galactic Core, Solar Core and our planet

 we are in **2012**, right here. This is the alignment right here, the Galactic

Page: 138

 have it in **2012**, and we'll still be clearing the Metatronic stuff as it

Page: 140

 coming in, in **2012**. So, I just wanted to point out to you a

Page: 154

 55 Activation in **2012**. So, thank you troops, for being here and hanging out

Page: 156

 looking at for **2012**- what we're actually moving ... facing in 2012, as far

 ... facing in **2012**, as far as what's happening on the planet, and the

 move through the **2012** period. There's going to be another set of these -

 point where, in **2012**, they could synchronize the Gates and they could actually pull

Page: 162

Page: 163

 the whole big **2012** thing is coming up, because the Mayans called it, thousands

Page: 166

 to align in **2012** is back over there, at the Solstice point So let's
