 far as the **White** Daisy people. And we'll look at some of what that

Page: 76

 there was a **white** one that was set into the YOdHA VOdHA matrix, from

Page: 78

 there's the one **White** one that is linked into the YOdHA VOdHA matrix in

 that's when the **Whites** decided to kick in. They said "Oh no you

Page: 89

 this was the **White** intention. And I haven't even seen if they have a

 with whether it's **White** ones controlling the majority of those grids, or if it's

 anchored in Core **White**-Blue Shield. So you must have a bit of the

Page: 72

 center of the **White**-Blue Shield so there's something we have to do with

 the center of **White**-Blue Shield. So we'll start down and at a certain

 the center of **White**-Blue to anchor that main wave that's going to come

 White Dragons. The **White** Dragon First Falls still work for the Krystics. And they

 made with the **White** Dragon First Falls that - back in the Atlantean Period

Page: 82

 had brought the **White** Dragon First Fall lines into in order to regenerate them.

 then the other **White** Dragon lines and Green Dragon lines and Red Dragon lines

Page: 105

 over to the **White**-Blue Shield thing. So we had started activations over there

Page: 108

 almost pale milky-**white** glow to it. And that gets a little bit more

 of like a **white** blood cell would around an invader. And I think they
