Page: 3

 preventing the Dimensional **Blend** Experiment from taking place. Now, we've talked bits about the

 about the Dimensional **Blend** Experiment, that was scheduled for 8/12/03. We haven't

 is this Dimensional **Blend** Experiment, and what does it have to do with that

 prevent the Dimensional **Blend** Experiment, by which the Wesedrak black hole in the parallel

Page: 6

 don't have to **blend** those with those of the parallel universe. If they have

 do the Dimensional **Blend** Experiment. This is really really wonderful. They are still not

Page: 21

 called the Dimensional **Blend** Experiment. There's other people that have been teaching about a

 called the Dimensional **Blend** Experiment too. I won't name them, but there's several teachers

 what the Dimensional **Blend** Experiment is. If you can understand what the planetary merkaba

Page: 22

 activating the Dimensional **Blend** Experiment. Because that is what the UIR intends to do.

 is the Dimensional **Blend** Experiment that they have had in mind for ages. It

Page: 27

 separation of a **blended** planetary and solar galactic merkaba field. Literally, two merkaba fields

Page: 37

 arc 5-8 **blended** artificial metatronic planetary 13 reversed seed atom at the planetary

Page: 39

 of the dimensional **blend** external merkaba Beast machine black hole fall Andorra Hethalon August

Page: 40

 experiment. Dimensional **blend** experiment was a nice way to put it. When we
 here. The Dimensional **Blend** Experiment - they were going to use the Amenti gates
 create the Dimensional **Blend** Experiment in Andorra Hethalon August 2003 40

Page: 41

 anyway, the Dimensional **Blend** Experiment, as I said, is intended to first create the

Page: 42

 orchestrate the Dimensional **Blend** Experiment down here, because they already have, in density 2,

Page: 43

 unnatural state of **blended** merkaba field, as the solar cross vortex alignment related Beast

 other things, the **blended** merkaba field remaining. The blended merkaba field means you have

 field remaining. The **blended** merkaba field means you have a totally unnatural blend in

 a totally unnatural **blend** in the merkaba field top spirals. You've got a wormhole

Page: 44

 living under a **blended** merkaba field since this period of time. It got even

 strange state. The **blended** planetary merkaba field ended up creating something quite fascinating, where

 the potential of **blending** the Phantom Earth reversed merkaba field with the remaining Earth

Page: 47

 via the Dimensional **Blend** Experiment, the galactic Grand Cross metatronic external merkaba vehicle, through

Page: 49

 would force a **blend** between the natural merkaba fields and what was in Phantom,

 force them into **blend** with the wormhole and with the Phantom. And they would

Page: 56

 so they can't **blend** and come together. It was done on a galactic level

 in the Dimensional **Blend** Experiment. So, this is what we are going to prevent.

Page: 94

 why The Dimensional **Blend** Experiment was known to be planned for 8/12/03.
