 showing the "**Daisy** of Death" and how it fit into the natural matrix

 known as the **Daisy** of Death Matrix. Yeah, this is hugely connected with that

 are pumping the **Daisy** of Death material here and like- what is working with

Page: 500

 will release the **Daisy** of Death Seal. The Daisy of Death shape all right,

 Death Seal. The **Daisy** of Death shape all right, that pretty little flower of

 sets of the **Daisy** of Death pattern. One of them is in the Wesedak

Page: 503

 fits into the **Daisy** of Death. It shows over here a little bit, but

Page: 509

 called "the **Daisy** of Death" all right, the 1st Daisy of Death, a

 right, the 1st **Daisy** of Death, a set of arcs. These arcs are from

 you have the **Daisy** of Death that forms with P9, P3, P4 and P10,

Page: 512

 is the triple **Daisy** of Death configuration- the 6-6-6, and that is

 because that middle **daisy**, it's the middle daisy cause this is the outer daisy,

 it's the middle **daisy** cause this is the outer daisy, and then there's a

 like a double **daisy** of death configuration, and it literally, at the center of

---

Page: 27

 here- are the **Daisy** of Death configurations that we've talked about before, where natural

 it the Green **Daisy**. This is the one that plugged directly into Wesedek Matrix.

 Matrix. This inner **Daisy** is the Green Daisy. And outside of that, there is

 is the Green **Daisy**. And outside of that, there is another one that is

 to the Green **Daisy**. Then you have the Sagittarius A star system, which is

 to the Red **Daisy**. So, this in itself is referred to as the Procyak

 to activate their **daisy** codes on one spin, and the others try to activate

 activate their green **daisy** codes ... because ... well, we're in a system that's

 thing. The Red **Daisy**, the outer one, the larger one, that's held by the

 form the Red **Daisy** around the Green Daisy. But there's still that one-third

 around the Green **Daisy**. But there's still that one-third arc left. Now, if

Page: 28

 with the Green **Daisy** system, the outer gates that go with the Red Daisy

 with the Red **Daisy** system, and then these are the little one third power

 bit, the White **Daisy**. And essentially what their intention is, is to ... well,

 and the Green **Daisy** crew of the Procyak Matrix at the center of the  
 about the White **Daisy** crew, but not much. The White Daisy crew is what  
 much. The White **Daisy** crew is what the problem is. And we'll talk more

 through the Red **Daisy** matrix in 2003. This means it's in that Black hole

---

Page: 62

 to the White **Daisy**, which is at the center of the Procyak Matrix, which

---

Page: 66

---

 has a white **daisy** in it. I have a feeling, they haven't told me

Page: 69

 locked into the **Daisy** of Death position ... the one third of them that's

---

Page: 71

---

 with the White **Daisy** network, there would still be some degree, but much more

---

Page: 72

---

 as the White **Daisy** people. And we'll look at some of what that means.

Page: 76

 life designs, or **Daisy** of Deaths, as we call them, and there would be

---

Page: 78

 we call the **Daisy** of Death. We call it together the Bloom of Doom,

 those teaching the **Daisy** of Death paradigm and other things like it Because there
