 The False East **Rod** is, I believe, what is going to connect into the

 still have the **Rod** level at D-1 as far as the Myotic Host

 activation of that **Rod** starts And that's when the two frequencies come together -
 begin moving the **Rod** where you can get Elemental Command Control over moving the
 over moving the **Rod**, which means moving the fields that create different openings in

 we engage the **Rod**, the hand position #1 is -and you can
 that's before the **Rod** is fully engaged. There'll be a point in there that

 we move the **Rod** up -- and we move the Rod up simply by

 you have a **Rod** that you are moving, right? Sorry if I'm screaming, but
 won't raise the **Rod** yet. That we're all going to do together in configuration.

Page: 60

 we're raising the **Rod** from where it was down here at D-1 sub-
 we raise the **Rod** just a little bit to D-1.5, or sub-frequency

 there is a **Rod** of energy that's actually connected to your Palms at this

 That means the **Rod** is up there. The Rod has moved from D-4

 we have our **Rod** up here with our palms up there. And this has
 we've raised the **Rod** again And this opened this frequency that they are calling
 Alright and the **Rod** has moved up to D-6.5, the 6th sub-harmonic.

Page: 65

 We bring the **Rod** back down. But when we bring it down, it's interesting.

Page: 66

 we pulled that **Rod** back down, it brings that full orb field that they're

 you're moving your **Rod** up to there. And then there'll be the hand position

 to start with **Rod** down with the hands in the down position. So that's

 first raise the **Rod** 45 degrees, right? That's where you bring your hands up

 to feel the **Rod** in your Palms rolling a bit Just you know still

 up, bring the **Rod** up. And now all the way up. And then down

 to feel the **Rod** spinning a bit across your Palms. Next way ... and

 spin on the **Rod** increase a bit Now we're going to raise up to

 to feel that **Rod** almost become alive across your Palms and across your body.
