 where real "**safe zones**" are, all right. But you will learn to understand

 to get the **Safe Zone** Maps done and that's going to take a while.

Page: 111

 we have our **Safe Zone** Maps and I'm not sure how long that's going

 Zone Maps. Now, **Safe Zones**, it helps to understand what a Safe Zone is,

 understand what a **Safe Zone** is, first of all. As far as Earth in

 not really a **Safe Zone**, I'm sorry. But it's what the Caduceus Rod has

Page: 125

 is where the **Safe Zones** are going to appear, because of the other things

Page: 128

 what constitutes a **Safe Zone**, and what does not, because-do you go here?

Page: 130

 will have the **Safe Zone** Maps that will show the probabilities of what and

Page: 132

 out where the **safe zones** are, and so we can let people know where

Page: 134

 where are those **Safe Zone** Maps, right? So, they're in the process of that

 but maybe, the **safe zone** maps where it will be the safer places to

 this what the **Safe Zone** maps really are. Because the future maps that people
