

the meantime", in the many life-cycles you have explored since that Seeding-1 period in space-time, the Keys were given, and now as Earth awakens to the calling of Starburst Response, she calls to the KEYS and they respond and awaken within you. The Frequency Keys pertaining to the India-2005 Shields Clinics are very specific; they come in two "types", one type being the **Security Seal Release Keys** pertaining to the **Main India Doorway of the Rama Passage**, the other being the **Activation Keys** to a most sacred, and related, aspect of planetary anatomy known as the "**Rod of Rama**". You will learn more about the Rama Passage and Rod of Rama, and their importance to Earth's Starburst Response, as our India workshops-in-Earth-time progress. For now, we would simply like you to know that whether you are aware of it or not, and regardless of what agenda you consciously feel you may or may not carry, that **each one of you is HERE BY INVITATION- planetary and universal invitation**; an invitation that was given to you by members of the Addondra E-Cou-Sha-TA Master Council within a physical incarnation of yours during the pre-5.5MYA "Electric Wars" period. The collective set of "**Rama Keys**" (those pertaining to the India Main Doorway, or to the numerous other interconnected planetary E-Cou-Sha-TA "accelerator seat" locations in various other regions) are indeed a GIFT; they are a "**gift once given that must again be given away in order to receive the gift anew**". In your inspiration to join us on this India adventure, your personal DNA Template and the Earth Shield itself will engage in a very private, loving conversation, and the gift that you carry will release automatically to gift **your Earth mother, as she calls home** the tools she needs to open her connection to the **Trans-Eckasha Rama Passage**.

The Rama Passage is a **specific, limited-passage network within the larger system of the Polarian Matrix** gate interface system; a network that can only be accessed and utilized on "**very special occasions**". It is because of the existence of the Rama Passage, and Earth's ancient Seeding-1 connection to this network, that contemporary Earth and its life-fields still hold the **potential of surviving with structural integrity intact, passage through an Ecka-Veca Starburst Response cycle**. You will learn in our India workshops that in terms of Planetary Templar Mechanics the organic circumstance of a Starburst Response cycle alone, (even without the nuisance of perennial distraction posed by ill-intended collectives such as the contemporary UIR), represents a "**Condition of High Alert**", or "**CODE RED**", in regard to the actions required by Kristiac Stewardship Collectives from the Eckasha systems downward. **Starburst Response IS A VERY SERIOUS CONDITION**, with **potentially astronomical local consequences**, in terms of Unified Field Physics, but in terms of Earth's present position and her "**Hidden Gifts of Rama**", it is not a condition that needs to be feared; it needs only be respected, understood and engaged through an informed and enlightened Kristiac stand. As is the Kristiac way, in return for your gift to Earth, you too receive the same gift you have first-given, as your own ancient bio-connection to the Rama Passage Doorways awakens, initiating the return of this potential to the life-fields of Earth. During our time together in India you will be offered the opportunity to learn more about this "Gift of the Rama Keys", and about the realities in energy that Starburst Response implies for you and your planet. I AOD of the AdonA Council, and Ma'a of the EieyanA Council, on behalf of the many, many Kristiac Councils of the E-Cou-Sha-TA "Keepers of the Krist Clocks", welcome you once again with all of the Love, Reverence, Respect and Remembrance that was present in our earlier Seeding-1 Meetings long ago. May your journey with us be a joyous and enlightening celebration of Eternal Communion and Rejoicing.

Ashalum Ta, AOD
