

## V. The Krystal Fleet of AL-Hum-Bhra: initiated 3/2012 Arctic, Activated 4/7/2012

A massive collective of the AL-Hum-Bhra RhAyas “Krystal People” Eternal Crystalline-Plasma-Liquid-Sound Consciousness from the Cos-MĀ'-yah Myotic Planes that materialize into “Last Call/Last Fall” Cosmic Matrix systems as collectives of huge Krystal Plasma Ray “Living transport ships” to fulfill the “Fail Safe of the Eternal Krist Code.” The AL-Hum-Bhra RhAyas appear in materialization to engage “reset of the Eternal balances of the Krist Code”, when a Cosmic Matrix reaches critical mass fall Quantum. They specialize in Ascension bio-regeneration, and Evacuation of viable life fields from falling systems.

The AL-Hum-Bhra RhAyas Krystal People of the Myotic Planes are those whom have completed Ascension beyond Cos-MĀ'-yah Krystar fulfillment and have chosen to return to the Cos-MĀ'-yah Myotic “Plasma Liquid-Sound” planes and the “1<sup>st</sup> State of Innocent Knowing in At-One-Ment with God-Source.” As Eternally Living, Plasma-Liquid-Sound-Consciousness-Fields, they can adopt any form desired, (or no form at all), when interacting with the materialized worlds of internal/external creation. The AL-Hum-Bhra RhAyas will form the “Mirror in the Sky Deflection Fields” in our current Cosmic Drama, ensuring safe passage & evac for those in genuine service to the Kryst & Eternal God-Source.

## VI. The Covenant of AL-Hum-Bhra: Activated 8/8/2011

An Eternal Covenant of Krystic Love, Service and Protection held by the AL-Hum-Bhra RhAyas Krystal People of the Myotic Planes, through which they have dedicated their Eternal Existence to upholding & servicing the balances of the Kryst Code & the fulfillment of Divine Will in Loving Service to all life everywhere.

The Specialized Intelligence & encryption coding of the AL-Hum-Bhra RhAyas allows them to orchestrate the highest level of service to the Ascension Star Gate Systems of the Cos-MĀ'-yah, to which they serve, under the Covenant of AL-Hum-Bhra, as the Eternal Custodians.

The Covenant of AL-Hum-Bhra was engaged within our Cosmic Matrix on 8/8/2011 (Earth time) due to this matrix reaching “Critical Fall Quantum” on that date. Through the Covenant of AL-Hum-Bhra, the Krystal River Host Evac Mission of Earth & the Milky Way will be able to continue even while this fall system progresses into a period of Metatronic Occupation.
