As each vortex progressively opens and activates, the dimensional frequency bands that correspond to the vortex number begin transmitting through Earth's morphogenetic field. This causes the Sphere of Amenti to begin transmitting its morphogenetic imprint for that dimensional frequency band through Earth's grid. **The frequency imprints for DNA strands 1 – 8, which are stored within the morphogenetic field of the Sphere of Amenti (along with the imprints for strands 9-12), progressively transmit through Earth's grid, as the dimensional frequency bands that correspond to each strand begin transmission.** The frequency bands of D-8 Meta-galactic Core, which accelerate activation of the 8th DNA strand, transmit through Earth's grid when Earth's planetary core comes into a direct 3-day alignment with the cores of Tara, Gaia and the Meta-galactic Core, as Earth aligns directly with the Holographic Beam. The imprints for DNA strands 9-12 do not transmit through Earth's grid; they are accessible only through the grid of Tara. Activation of strands 1-8 on Earth allows for ascension to the Taran time cycles, from which the imprint for strands 9-12 can be accessed.

The human bio-energetic field picks up the DNA imprint through its direct contact with the bio-energetic fields of Earth's grid, which provides humans with the opportunity to add that imprint to its operational DNA construction. The process of activating the new imprint takes place as the strand imprint is pulled from the bio-energetic field, into the personal morphogenetic field, at which point the new imprint will begin manifestation within the operational DNA strands. DNA strand mutations are purged from the race morphogenetic imprint in the Sphere of Amenti and the strand imprint is realigned with the 12 strand DNA pattern by the successive births of the 6 Silent Ascension Avatars

Transmission of the corrected DNA strand imprints through Earth's grid allows a reverse-mutation of various ascension-inhibiting human genetic distortions to take place. Earth's 7 Primary Vortices open only during the two ascension cycles, at the beginning and end of a 26,556-year Harmonic Universe Euiago time cycle. **The energetic dynamics that Earth now approaches, as it enters the ½ cycle point in its 2nd ascension cycle, are unprecedented within the annals of recorded human history.** The coming of these events has been symbolically foretold through oral and written tradition for thousands of years.
