 referred to as **Ascension Earth**. **Ascension Earth** you will find when we go through

 is called the **Ascension Earth**. And portions of the body of the Earth here,

 nations in the **Ascension Earth** planetary body. So, it's a big project we are

 go someplace like **Ascension Earth**, wherever that is, and we'll know where that is

Page: 159

 the Density-2 **Ascension Earth** Density-2 cloud cities. These would be the Ascension

 would be the **Ascension Earth's** Density-1 subterranean cities. Up here we have the

 we have the **Ascension Earth** Density-3 ocean cities, which are called Aquaferion. That's

 what is called **Ascension Earth**. **Ascension Earth** is in the AquA"elle Matrix that is

Page: 217

 Matrix in the **Ascension Earth** Matrix, and also in the Andromeda M-31 Galaxy,

Page: 236

 simply the Aurora **Ascension Earth** Field. We will go through there and that will

Page: 284

 Aurora Earth or **Ascension Earth** and then there's our little Earth here, right. Well,

 New Earth, or **Ascension Earth**, is actually a field that has the imprint of

Page: 9

 ... literally, this **Ascension Earth** field that would create a safe zone around this

Page: 17

 for That's what **Ascension Earth** is for You got about two million years there

 and the new **ascension Earth**, Gyrodome slide zone field, which is the host Other

Page: 21

Page: 22

 way out to **ascension Earth**, they can at least choose the path of the

 Earth into new **ascension Earth**, or Aurora Earth, then into Urtha, etc In 250

 let's start with **ascension Earth**, and go, "pew ... you know, it feels

 just over to **ascension Earth**, where you could say, "see, look at it

 the New Earth, **Ascension Earth** as well. Ones that can't, we will leave them

Page: 72

 It is the **Ascension Earth**. It is a field that holds the shield. Part

 but, of an **ascension Earth** that still has it's AnshaTAsa passage connection and that

 relationship with New **Ascension Earth** and the coordination of the Gyrodome and the Van

 to the New **Ascension Earth** and assist in its birthing, we need to do

 of the New **Ascension Earth** in the bands that we've seen on the maps

Page: 151

 in the New **Ascension Earth** Slide Zones, so it can undergo healing so we

 in the New **Ascension Earth**. And from there we will come back and we

Page: 161

 birthing New Earth, **Ascension Earth** Domain. And we are going to get out of

 of the New **Ascension Earth**. And there are those there who know how to

Page: 183

 or the "**Ascension Earth**" because it will look like versions of Earth but

Page: 218

 is called the **ascension Earth**, or New Earth zone- you know the new heavens

 far as the **ascension Earth**- the place where ascension can occur from The version

Page: 308

 Earth or the **ascension Earth** host field, that is formed by the Gyrodome, that

Page: 406

 allows for the **Ascension Earth** Passages to be here. So we'll talk about those

Page: 429

 a slide to **Ascension Earth**. And then, there would be a pulling even back

Page: 438

 an awakening to **Ascension Earth**, an awakening to the Krystal Heart of Aquafereion, who

Page: 439

 slide zones of **Ascension Earth**. And we would like to thank you. This is

Page: 442

 is called the **ascension Earth**, that will .. even though this Earth body cannot

Page: 444

 field, the new **ascension Earth**, will support the rest of this planet, so it

Page: 450

 with the New **Ascension Earth** from here. If you were originally from the Aquari

Page: 451

 getting into the **Ascension Earth** field, where any of that is possible. So, next

Page: 453

 is where the **ascension Earth** would be, where up here, and beyond this, it's

Page: 454

 Zones of the **Ascension Earth**, and then eventually some of us will go all

 staying on the **Ascension Earth** and not going out in 2047-2052. At least

Page: 466

 like, where is **Ascension Earth** exactly? In connection to here and Urtha, we know

 that is where **Ascension Earth** is. That is where Sirius-B is. Now there

Page: 467

 where exactly is **Ascension Earth**? It is in the Aqua"elle Matrix, which is a

Page: 468

 Chambers of Earth, **Ascension Earth** and the Aquafereion Shield can open only if Earth's

Page: 470

 slide into the **Ascension Earth** field, but at this point there will be a

Page: 471

 of Earth, right, **Ascension Earth** and the Aquafereion shield can open only if Earth's

Page: 472

 Chambers, of Earth, **Ascension Earth**, and the Aquafereion shield. So, it won't be just

 the Aurora field **Ascension Earth**. They are going to appear as islands in that

Page: 473

 in Andromeda, and **Ascension Earth** is in the Aqua"elle field, we're actually bringing in,

 of Earth and **Ascension Earth** open, both the ElorA and the AdorA Na-VA-

Page: 474

 back to the **Ascension Earth**, and that gets traced back to the Andromeda Galaxy

Page: 476

 slide into the **Ascension Earth** zone, or the Aqua"elle matrix, literally from here, and

 place ... the **Ascension Earth** is actually in the same place/space as this,

Page: 478

 you would have **Ascension Earth**, which is the AquA"elle field But then there"s another

Page: 480

 I ide into **Ascension Earth** of the Aurora host AquA"elle matrix" So, once we"re

 the codes from **Ascension Earth**, the AquA"elle matrix- that"s why she was named that-
