 Journey to the **Eye of God** - Projection-Meditation SUNDAY, Nov 41h "07-

---

Page: 58

---

 is called the **Eye of God** or Eye of All urea. And the Eye

 Journey to the **Eye of God** projection that is going to be offered as

---

Page: 65

---

 know what the **Eye of God** is, basically, and what it looks like, because

---

Page: 76

---

 called the "**Eye of God**" structure. Now, everything in Creation goes through this

---

Page: 79

---

 of all, the **Eye of God** structure is forming from this, and remember it

 most, about the **Eye of God** structure. So, they haven't named what type of

---

Page: 80

---

 known as the **Eye of God** structure, and I'll show you what that looks

 together is the **Eye of God** ... the next one, please. This was one

---

Page: 81

---

 29:56] The **Eye of God** Now, this is what forms on that creation

 to as the **Eye of God**. And, it's actually the 151 Eye of God,

 actually the 151 **Eye of God**, but you can also call it the Jd

 it the Jd **Eye of God** because 2 more form from this. This one,

 one, the 1st **Eye of God**, is called the Eye of Allurea and it

 Flows of the **Eye of God**. And they create the core matter streams that

 Journey to the **Eye of God** projection, this is what it's about. When we

 this is the **Eye of God** that we refer to. And, remember this is

---

Page: 82

---

 "always opened" **Eye of God** Source, and somewhere ... yeah, ok, next one,  
 ... from the **Eye of God**, we are in our smaller micro versions of

---

Page: 83

---

 God and the **Eye of God** structure ... you'd have the Eye of AdorA

---

Page: 84

---

 structures of the **Eye of God** structure, and to begin the activation of what  
 flows of the **Eye of God** structure. So, this is where "Kryst" comes  
 coming from the **Eye of God** structure. They're actually called the Core LaVas, and  
 Allurea, of the **Eye of God**, because they are the Core currents that connect

---

Page: 85

---

 Love" into the **Eye of God** structure and literally projecting our Rasha bodies and  
 structure right, the **Eye of God** with its Ka-Ra-Ya-Sa-TaHa-La

---

Page: 86

---

 Allurea, the 1st **Eye of God** is. And then you'd have the Eye of

---

Page: 87

---

 part of the **Eye of God** formed, through that replication that form the different  
 it forms the **Eye of God** structure, the Eye of Allurea. The Eye of  
 formed from the **Eye of God**, within the Mind of God, and that's the  
 go to the **Eye of God** and that kind of stuff. So, I wanted

---

Page: 89

---

 we had 1 **Eye of God** and that had 7 flows, right, one from

---

Page: 100

---

 of it. The **Eye of God** is at the center, and all these other

---

Page: 104

---

 do with the **Eye of God**, and it evolving into the full Spirit Body,  
 come from the **Eye of God** Structure, from which all of this emerged. So,

---

Page: 106

---

 of that-the **Eye of God** is inside of that. You have the three

---

Page: 109

---

 you have the **Eye of God** structures and all of those things, and, the

---

Page: 113

---

 LaVas of the **Eye of God** structure, going outward now, to the progressive sets

---

Page: 119

 all of that, **Eye of God**, pulls in, as does the AdorA side. They

 known as the **Eye of God**. We've talked about the Heart of God, that  
 out about the **Eye of God**. It's part of the anatomy It starts with  
 is called the **Eye of God** It is something that happens in the dynamics.  
 structure called the **Eye of God**. It is a part of our anatomy, just

---

Page: 40

---

 on the "**Eye of God**" information It all started with understanding the Ecka

---

Page: 44

---

 something called the **Eye of God** that is formed That is really fascinating. It  
 understand where the **Eye of God** is and how that pertains to the light

---

Page: 45

---

 is called the **Eye of God**, that will allow for there-spiritualization of the  
 explain about the **Eye of God**, but it was way too soon for that  
 something called the **Eye of God**, or the Cousha that was born. The Cousha

---

Page: 46

---

 structure called the **Eye of God** emerges. The Eye of God, therefore, or the  
 God emerges. The **Eye of God**, therefore, or the small part of it, would

---

Page: 51

---

 is where the **Eye of God** exists, which is the doorway between. It is

---

Page: 61

---

 better. Without the **Eye of God** construct, that new diagram, it will be a

---

Page: 62

---

 I called the **Eye of God** part of the anatomy That has something to

---

Page: 69

---

 I get the **Eye of God** diagram done, because that is just beginning, and  
 reflection of the **Eye of God** structure That's why we can read our RashaLae

Page: 71

 detail about the **Eye of God** configuration -but we'll share with you what

---

Page: 81

---

 you've got the **Eye of God** things and Ecousha Crystals which we haven't gotten

---

Page: 110

---

 am seeing the **Eye of god** emerging in our hotel room (laughter) And

---

Page: 111

---

 Journey through the **Eye of God** to the Heart of God" On the end

---

Page: 114

---

 Journey to the **Eye of God** you know, Journey to the Heart of God

---

Page: 119

---

 Mind and the **Eye of God,"** and that is the thing that occurs in

---

Page: 131

---

 called the "**Eye of God**" that is actually fascinating. This is a place

---

Page: 132

---

 called the "**Eye of God**" and it is a fascinating Structure and it's

---

Page: 133

---

 to the "**Eye of God**" I remember going, "Can we please hurry

---

Page: 135

---

 will find the **Eye of God** and eventually we'll actually be able to see

---

Page: 136

---

 back into the **Eye of God** and the Heart of God, and from that

---

Page: 139

---

 that form the **Eye of God** within the Kryst Body, which is 1/2

 Center of the **Eye of God** and we're going to have some type of

 this construction, the **Eye of God** construction, (Discussion between A"sha and A"zah). Ok,

 structure of the **Eye of God**. What's interesting is when you take this structure,

---

Page: 140

---

 structure of the **Eye of God** is the structure, and this is what our

 structure of the **Eye of God** Tonight we still have a Journey and it's

---

Page: 141

---

 Cycle of the **Eye of God** construct, the Heart of God, Eye of God,

 Heart of God, **Eye of God**, all of that for the next level out

 connected to the **Eye of God** that is, we all exist within this Massive

 or about the **Eye of God** Because they'll probably think you're nuts unless they

 all of those **Eye of God** Structures are connected directly to ... they are,

---

Page: 142

---

 or to the **Eye of God**, the Kryst Body all right. So, what this

 phasing of the **Eye of God** with the AdorA and the ElorA and the

---

Page: 143

---

 starts that whole **Eye of God** Configuration. So there's an Eye of God Configuration

 So there's an **Eye of God** Configuration that's kind of like at the Doorway,

 to the first **Eye of God** configuration with our, where our Full Spirit Body

---

Page: 144

---

 grows from the **Eye of God** Level of our full anatomy We have a

 looked at that **Eye of God** from the front, as if you were looking

---

Page: 146

---

 Journey to the **Eye of God** unless we have a clue cause everybody's gonna

---

Page: 150

---

 Journey into the **Eye of God** and into the Heart of God, and into

 through into the **Eye of God** And from that point we will pick up

---

Page: 154

---

 travel into the **Eye of God**, in order to pick up the gift of

 Body where the **Eye of God** is. (1736) So in a moment, imagine

---

Page: 155

---

 place called the **Eye of God**, in an area called the Allurea Field. This

---

Page: 156

---

 place to the **Eye of God** in this activation, in order to help heal

 to enter the **Eye of God** of the Krist Body. (29 03) As

 as if the **Eye of God** is calling us from the Spirit Side, something

 we're approaching the **Eye of God**, let us stop there for a moment, for

 before entering the **Eye of God**, let us look into the Eye of God.

 look into the **Eye of God**. For this is a very sacred place here.

 in which the **Eye of God** is. It doesn't matter which, left or right,

---

Page: 157

---

 Eye, the Manifest **Eye of God**. Try not to impose an image of what

 Life from the **Eye of God**. Try to feel that Love, for now we

 known as the **Eye of God** Imagine now our shield is moving toward that

 moving toward that **Eye of God**, all as one, and realize how big it

---

Page: 161

---

 through into the **Eye of God**. Now, let us imagine that our shield is

---

Page: 162

---

 center of the **Eye of God** within you, an Eye of God that has

 within you, an **Eye of God** that has been dormant for a very, very

---

Page: 165

---

 called the "**Eye of God**" construct and the thing that we would call

---

Page: 169

---

 network and the **Eye of God** construct of the Spirit Bodies. So our Sun-

---

Page: 229

---

 Journey to the **Eye of God** one. When you do that, that will release

---

Page: 233

---

 Journey to the **Eye of God** and this had to do with the Ecousha

---

Page: 235

---

 to build. The **Eye of God** starts to build. So, the Eye of God

 build. So, the **Eye of God** actually comes between that 4th spark before the

 is where the **Eye of God** and the spirit body stuff come in that

---

Page: 270

---

 up on the **Eye of God** Anyway, the Eye of God is "Cells

 God Anyway, the **Eye of God** is "Cells " They"re like Structures again,

---

Page: 277

---

 stuff on the **Eye of God** thing, that was new, new information that we

 journey to the **Eye of God** or through the tunnel of love and or

 do with the **Eye of God** construct. And this was all the The MCEO

---

Page: 278

---

 shape of the **Eye of God** so when you do this journey you have

 known as the **Eye of God**, that is [commenting on mic sound]- there

 get into this **Eye of God** space or through the Tunnel of LaVa, as

 point called the **Eye of God** So, I'll try to explain to you, in

 terms, how the **Eye of God** construct is created and where it exists within

 LaVa into the **Eye of God** Space, which takes you through the door of

---

Page: 280

---

 what becomes the **Eye of God** that forms around the first Cousha krystal. So,

 Cousha. But, the **Eye of God** forms, it forms several layers of spheres within

---

Page: 282

---

 God, because the **Eye of God** structure forms from the Cousha and it forms

 level has an **Eye of God** configuration and they all lead back to the

 original first Cousha **Eye of God**, which is the one we're starting with. So,

 recreated including the **Eye of God** at the end of which the Tauren is

---

Page: 284

---

 the, forms the **Eye of God**, and where that connects with the other pieces

---

Page: 285

---

 call the third **Eye of God**, but it's actually the first Eye of God-

 actually the first **Eye of God**- the third eye. And out of this the

 let's see the **Eye of God** structure before we get into them, and the

 God forms the **Eye of God** Next one, please. [graph] [OVO-R

---

Page: 286

---

 what occurs, the **Eye of God** structure that forms, because first there is the

 is the first **Eye of God**. The Eye of God structure is formed by

 of God. The **Eye of God** structure is formed by I believe the first  
 give you the **Eye of God** construct That Eye of God construct then gets  
 God construct That **Eye of God** construct then gets replicated times 2 giving you  
 the original third **Eye of God**, and the two polarized Eyes of God, and  
 pattern happening. The **Eye of God** structure, and this structure becomes the template or  
 side of the **Eye of God** construct, and on the 15th expansion, there's 3  
 So this, the **Eye of God** construct that we're going to see is referring  
 look at the **Eye of God** and the currents that flow through the Allurea.  
 So, the first **Eye of God** is the Allurea, and then you have the

---

Page: 287

---

 core of the **Eye of God**, so we can actually pass through this point  
 are utilizing the **Eye of God** passage which the AdorA have to help us  
 quickly past the **Eye of God** for the RashaLAe, past the Eye of The

---

Page: 288

---

 ReishaLAe, past the **Eye of God** for the Rashallah, and into the original Cousha.

---

Page: 290

---

 spheres of the **Eye of God**, we'll actually be going right back into creation

---

Page: 291

---

 be utilizing the **Eye of God** structure But, we have to go all the  
 something with the **Eye of God** from the AdorA side, and then take us  
 going to the **Eye of God** journey in order to get the frequencies open  
 the Allurea, first **Eye of God**, that becomes when you see the three of  
 together, the third **Eye of God** But, this is the structure, if you look

---

Page: 292

---

 it as the **Eye of God**, and there are three of those, so you  
 back to the **Eye of God** and figure out how to translate the Eye  
 to translate the **Eye of God**. Anyway, hopefully that gave you enough to get

---

Page: 296

---

 off with the **Eye of God** bit, show you a couple more diagrams about

---

Page: 299

---

 which was the **Eye of God** configuration, focusing in on the first seven out

 Back to the **Eye of God-** and the Tunnel of laVa So, when we  
 spheres of the **Eye of God** holds, and the type of matter, the base  
 brings the literal **Eye of God** structure down into a manifest expression form in  
 it's called the **Eye of God**, is because that's what they refer to that,  
 actually through the **Eye of God** that the whole manifestation transduction sequence  
circulates. So,

---

Page: 300

---

 We have an **Eye of God** structure, and those other things it was connected  
 bigger things, the **Eye of God**, the Heart of God- all of those things  
 first outward moving **Eye of God** is formed So, there would be another one,  
 that is another **Eye of God** structure that connects to the original Cousha that  
 would have its **Eye of God**. So, each one of them have a Cousha  
 and then the **Eye of God** structure that forms from the Cousha krystal. And  
 and the third **Eye of God** coming out this way. Then there would be  
 would be the **Eye of God** structure from which the light body and the

---

Page: 301

---

 out of that **Eye of God** structure that happens before the light seed for

---

Page: 302

---

 krystals and their **Eye of God** configurations. The Eye of God configuration is what  
 God configurations. The **Eye of God** configuration is what gives you the flows, and  
 cells of the **Eye of God** emerged. So, we are opening those. Now, let's

---

Page: 326

---

 and remember the **Eye of God** Journey, and remember that you can go there

---

Page: 331

---

 something called the **Eye of God**, and the Coushas and we're going to start

---

Page: 332

---

 is called the **Eye of God** and the Cousha Crystal and what that has

---

Page: 375

---

 do with the **Eye of God** structure Just wanted to let you know about

---

Page: 376

---

 we see the **Eye of God** stuff So they're all part of the Krystar

---

Page: 379

---

 Journey to the **Eye of God** and that is a particular one of the  
 talking about the **Eye of God**, what's that? You know, what is it? What  
 me on the **Eye of God** Ecousha stuff that leads into the DhaLA stuff,

---

Page: 381

---

 called the First **Eye of God** which gives birth to what is called the

---

Page: 388

---

 is called the **Eye of God** and from that comes the Heart of God.

---

Page: 389

---

 actually have the **Eye of God**. And the Eye of God actually forms first  
 God. And the **Eye of God** actually forms first and the Heart of God  
 part of the **Eye of God**. Because all of these are taking place at

---

Page: 390

---

 call it the **Eye of God**, because it is a lens structure, and these  
 development of this **Eye of God** structure, we'll find that these chambers open between  
 Cells in the **Eye of God**. So you get your 7 Core Flows, they  
 Journey to the **Eye of God**, what we actually do is go through from  
 will be an **Eye of God** structure for each of the domains, but there  
 the Original 1st **Eye of God** structure that was the 1st Creation Point We're

---

Page: 391

---

 up with 3 **Eye of God** structures You have the original one on this  
 Eye. The 1st **Eye of God** is called the Eye of Allurea, A II  
 is the 1st **Eye of God** and that is known as the All Seeing

---

Page: 392

---

 in, in the **Eye of God** Journey that you'll do tomorrow, we're actually travelling

---

Page: 395

---

 form with the **Eye of God** and the Allurea and the AmourA Bodies. This

---

Page: 399

---

 Journey to the **Eye of God** one, that we, we go up from Urtha-  
 as to the **Eye of God**, we will start expanding into the Spirit Body

---

Page: 401

---

 have gone from **Eye of God** and Heart of God up to the Amour

---

Page: 406

---

 where there's a **Eye of God** Journey, there's a whole set of techniques and

---

Page: 407

---

 Cousha forms the **Eye of God**, and the Eye of God forms the 3

 God, and the **Eye of God** forms the 3 Hara Bodies, and the 3

---

Page: 412

---

 that grew the **Eye of God**. And from the Eye of God it grew

 And from the **Eye of God** it grew the Hara's, and from the Hara's

 reflection of the **Eye of God** Structure that forms the E-Cousha-TA Crystals.

 cluster, and our **Eye of God** for this domain. So, it's about 18 inches

---

Page: 457

 go to the **Eye of God** journey We'll follow the Eye of God with

 We'll follow the **Eye of God** with Raising the Eiradonis and then after that-

---

Page: 465

---

 This is the **Eye of God**" again, but we'll take that into the Allurean

---

Page: 473

---

 go into the **Eye of God** flows and all of the ... literally core

---

Page: 477

---

 go through the **Eye of God** information, because it's through that, when we start

---

Page: 482

---

 structure of the **Eye of God** through the ElumEiradhona Body so we see how

Page: 501

 didn't do the **Eye of God** anatomy and all that stuff I was planning
