 referred to as **Higher Earth**. That's actually the concept of heaven that people have

 what is this **Higher Earth**. That's the first place where we are going to

Page: 11

 be connected to **Higher Earth** which will be connected to Median Earth, which will

 in from the **Higher Earth**. And they haven't talked to me about it but

 from here to **Higher Earth** before we get from here to Median Earth. So

Page: 14

 fields of, first **Higher Earth** and then Median Earth. So, literally, where most people's,

 small version of **Higher Earth's** geomagnetic field. So it will literally change the encryption

Page: 16

 feeling on the **Higher Earth** level, as well, to the area that is the

Page: 54

 encryption of that **Higher Earth** we've talked about, and of Median Earth. So it

Page: 61

 Orb" Ascension to **Higher Earth?**" The answer is: "This is a "time-

Page: 62

 cycles of the **Higher Earth** Aurora Silver Seed Ascension Star-Gates; this engagement will

Page: 63

 spiritual Ascension to **Higher Earth** and beyond, through organic Bhardoah Ascension at the point

Page: 66

 geomagnetic fields of **Higher Earth** and Median Earth, and get them de-calibrated from

Page: 69

 they are calling **Higher Earth**, which are actually some of the planes of Net

Page: 72

 first levels of **Higher Earth**, because that would be on the natural axis for

Page: 77

 to as the **Higher Earth** Field. Probably in the big end workshop we will

 to as the **Higher Earth**, which are different than the Median Earth. They're between

 between Lower and **Higher Earth**. This will allow us before ... by the time

 Geomagnetic Field of **Higher Earth** into our fields and then we will activate them.

 be connected to **Higher Earth**. Which means we would have enough frequency from the

 from the collective **Higher Earth's** Field coming in to counteract and counter-balance. It

Page: 78

 encryption of the **Higher Earth** Field. What's going to be neat too about this

Page: 79

 visit first the **Higher Earth** planes. We will learn more in the larger workshop

Page: 81

 Geomagnetic field of **Higher Earth**. And that's the step in between where we are

Page: 84

 back than the **Higher Earth** part, which is in between. So these would be

Page: 85

 to occur into **Higher Earth** and into Median Earth. There's also another set that

Page: 91

 which is the **Higher Earth** planes, it is much more expansive. It feels like

Page: 97

 connect through from **Higher Earth** and also from Median Earth beyond that So it's

Page: 98

 Lattice of the **Higher Earth**, which means it will go beyond that and bring

 the north of **Higher Earth** is. Which is a little bit different place than

 actually ... the **Higher Earth** is actually in between at a different angular rotation

Page: 102

 geomagnetic field of **Higher Earth**. It will be coming into these areas, the D-
 rhythms of the **Higher Earth**. Ought to be interesting I wonder what that's going

Page: 105

 then through into **Higher Earth** Core. So, we're going to inhale, and inhale upward
 membrane into the **Higher Earth** Core (exhales). And then breathe normally for a

Page: 108

 further into the **Higher Earth** Core so, (exhales) and imagine that stream of

Page: 122

 the membrane into **Higher Earth's** Core. And at the bottom of the Exhale just

Page: 128

 Heaven, which is **Higher Earth** at the moment. So we will see you back,

Page: 136

 encryption of the **Higher Earth**. So it's important, because it's literally at the end
 electromagnetic fields of **Higher Earth**. So it's a really important technique in that regard.

Page: 138

 electromagnetic fields of **Higher Earth**, which means we will begin to pull in the
 the encryption of **Higher Earth** that will progressively pull us out of the Metatronic
 coming in from **Higher Earth** is stronger, and it's stronger in frequency. So as
 skin encryption from **Higher Earth**-we wouldn't have the ability to do that, and
 coming in from **Higher Earth** when we're done. The part that I want to

Page: 140

 2009: Ire and **Higher Earth** fields So it actually is like a frequency runner,
 elemental flows from **Higher Earth** will start spiraling out One will be clockwise, one

Page: 141

 scale up in **Higher Earth**, and also Median Earth and going up to Urtha.

Page: 142

 connect into the **Higher Earth** Fields. Ok, now, inhale downward from the Upper Aurora

Page: 150

-  doorway, finally, between **Higher Earth** and Lower Earth, where we are. And, that is
-  opening, where that **Higher Earth** Band, like a membrane, is actually being opened. And,

Page: 160

-  go in with **Higher Earth** and Median Earth and AshaLA and the rest. So

Page: 161

-  the alignments for **Higher Earth?"** So we can know what times ... this is
-  Median Earth and **Higher Earth** fall into it So we'll know what times to

Page: 167

-  a rod from **Higher Earth** please I" I'll go sit on that location until

Page: 176

-  and also the **Higher Earth** planes, so that's what we are working on is

Page: 177

-  Kingdom up in **Higher Earth**, so it's literally just an elemental flow of current
-  flows of the **Higher Earth** frequencies, so they are literally asking us to go.

Page: 181

-  it's coming from **Higher Earth** planes first and then Median Earth; they'll probably blend
-  go through the **Higher Earth** levels first before we can get to Median, before

Page: 182

-  spin over on **Higher Earth** and see how, see what that's like. I mean

Page: 183

-  be that of **Higher Earth**, and from there it would be the Median Earth

Page: 184

-  frequencies in from **Higher Earth** so you can get a bit of balance instead

Page: 188

 of 24 for **Higher Earth** and Median Earth I wouldn't doubt as far as

Page: 194

 Median Earth and **Higher Earth** and run like a stream of energy directly through

Page: 199

 coming in from **Higher Earth**. There will be many more as we work with
