 it breaks its **connection** from the ParTE"-KEi template, there's always some hope of

 and you make **connection** through the journeys with ... and most of the time

 important to make **connection** with ... when we do the projection journeys, to begin

 to make our **connections** to the Urtha people, but we've also been progressively activating

 you make a **connection**, you feel great about it, "oh, I have my

 to make the **connection** of the Rasha body structure and the 15 rings, which

 it's AnshaTAsa passage **connection** and that even when it comes time in 250 years,

 Pillars that these **connections** are made. And that is how the conduits of energetic

 Full Spirit Body **connection** point is. That would allow for activation of this Cousha

 the next closest **connection** to our Spirit Body, which was our RashaLAe. And now

---

Page: 144

 and it's only **connection** to what is behind it is through the d-2

---

Page: 162

 realize your direct **connection** with your Spirit and with God Source and the Krist

---

Page: 177

 there is a **connection** that was put in very, very long time ago into

---

Page: 178

 we're coming into **connection** with now because we are at the end of a

 body. So, these **connections** all come from the beginning process of, we'll see here

---

Page: 233

---

 it and its **connection** to God Source. We're finding the part of ourselves that

 level of accessing **connection** with the Spirit Body that we have. And somewhere in

---

Page: 234

 with understanding the **connection** between these bodies and then when we go into the

 Krystals and their **connections** to these and the spirit body and the differences between

-  is where the **connection** between Rasha ... when these start to phase in their
- 

Page: 355

 there"s also the **connection** to this and that whole network into the caldera that"s

 You"ve got its **connections** into the Sub Mid-Atlantic mess. That"s the one that

 these are news **connection** sources--{}n today, on January 6th because the volcano erupted.
