 could hijack the **elemental body** of the planet, as far as wreaking havoc. This

 this is the **mental body**. This is where they beam in programs, using ...

 oh that's just **mental body** stuff, ignore that, think higher, go for spiritual." Yeah

 our D-3 **mental body**, and our D-2 physical elemental bodies, with the

Page: 77

 with the physical **mental body**. Because the mental body is physical in it's own

 body. Because the **mental body** is physical in it's own way too, just like

Page: 78

 that is the **mental body** level. There are levels out from here that correspond

Page: 79

 7 D-3 **mental body** seals. Remember, we had 7 of the D-2

 D-2 physical **elemental body** seals and then there are 7 D-3 ones

 here is our **mental body** planes, here is our surface Earth, right here. So

Page: 80

 and it's fields-**mental body** plane, physical body plane and the D-seals. So,

Page: 82

 was hitting the **mental body** aspect of the D-3 pulse. These bands are

Page: 85

 Earth here- the **mental body** level of our Earth is here. All of these

Page: 106

 here, where the **mental body** planes are. It also shows you were the 3

Page: 107

 be called the **mental body**, or the outer mental body where this would be

 or the outer **mental body** where this would be like a surface Earth, but

Page: 109

 which would be **mental body** territories. This would be the good guy's mental body

 the good guy's **mental body** territories where you have the other ones having their

 ones having their **mental body** no-fly zones in this area, and in this

 the D-3 **mental body** access caves from Earth's outer mantle going into the

Page: 111

 first through the **mental body** state and what they will use ... now this

 have the upper **mental body** and that is actually being held by the creepy

 is the lower **mental body** and it is under this frequency fence But if

Page: 113

 is in the **mental body**, the focus of our perception is in the mental

 is in the **mental body**, and we perceive this field as solid here. These

Page: 114

 first on the **mental body** levels where you might start hear them or get

Page: 115

 right? This is **mental body** Earth, with the lower mental plane, the one we

Page: 117

 normal D-3 **mental body**. We would normally have our mental body Earth surface

 normally have our **mental body** Earth surface here. So if you went there, and

 surface level of **mental body**, and this would be going into the upper mantle

 mantle of the **mental body** planes, which is the D-3 level of the planetary

 run into our **mental body** planes. There are things that when you are there

Page: 155

 it's the upper **mental body** field, brought in lower than the astral field, the

Page: 197

 or the physically **elemental body**, forms Now if you were going to look at

Page: 200

 that is the **mental body** NET. So there are 3 levels of netting that

Page: 201

 the D-3 **mental body** existence layers; and then there would also a smaller

Page: 244

 the D-3 **mental body** planes, that would be the normal D-3 mental

 normal D-3 **mental body** planes that are now split into a higher and

Page: 249

 plane, where the **mental body** ... but that is just as physical in its

Page: 250

 D-3 subterranean **mental body** layers. These would be Cloud Cities, these would be

 it or a **mental body** connection to it, so it wouldn't have the level

Page: 345

 Earth. Here's the **mental body** plane, the cloud cities. The cities-the surface levels-
 we've got our **mental body** plane, we've got our physical body plane. I'm not

Page: 358

 the **elemental body** aspects. There's all sorts of things we can do

Page: 373

 which is the **mental body** level. Remember, we have the physical/atomic level then
 have the D3 **mental body** level, then the D4 astral body level going up,

Page: 409

 like holding a **mental body** frequency line, and that's why we do a lot

 holes in their **mental body** NET. We have enough where we can project out

Page: 89

 would be our **mental body** planes. This is where we get the Cloud Cities

 the d-3 **Mental Body** and the d-1 Etheric Body. They are starting
