 something called Aurora **slide zones**. Aurora slide zones, you'll see more when we go
 slide zones. Aurora **slide zones**, you'll see more when we go through tonight, when
 are. The Aurora **slide zones**, when fully activated, creates something called activation of the
 are activating the **slide zones** that will allow us to be able to learn
 will allow the **slide zone** portals to open. So they are the first step

Page: 9

 planet, the Aurora **slide zones** would all form and then merge to form this

Page: 17

 That's what the **slide zones** are for That's what Ascension Earth is for You
 ascension Earth, Gyrodome **slide zone** field, which is the host Other people, depending on

Page: 18

 got already two **slide zones** open. To be able to use them biologically, we've

Page: 34

 into first the **slide zones**, which are the Aurora field between Earth and Urtha,

Page: 42

 out into the **slide zones**, into the New Earth, Aurora fields, and kind of

Page: 56

 get ourselves into **slide zones**, so we can help others to get out that

Page: 64

 day notice, to **slide zone**, to New Earth, and that is at least a

Page: 65

 to reside in **slide zone** Earth. One more thing I want to show you

Page: 72

 called the Aurora **slide zone** activated. It is the Ascension Earth. It is a

Page: 80

 are called the **Slide Zones**. Let's look at this a little bit closer. I

Page: 92

 Aone, an Aurora **Slide Zone**. So you have one and two merge, when Ecousha

 Peru. We have **Slide Zone** 1 open. The next one is for 2 and

 or the Second **Slide Zone**. You have Slide Zone 1, Slide Zone 2, Slide

 Zone. You have **Slide Zone** 1, Slide Zone 2, Slide Zone 3 is here.

 Slide Zone 1, **Slide Zone** 2, Slide Zone 3 is here. We are going

 Slide Zone 2, **Slide Zone** 3 is here. We are going to begin the

 is a physical **slide zone**. It is a new Earth birthing right around the

Page: 93

 get around the **Slide Zones** because there's all sorts of things that slide in

Page: 96

 That's where the **slide zones** will be. So they're very close. They're not, ya

Page: 103

 and the Aurora **Slide Zone** and the relationship with New Ascension Earth and the

Page: 124

 into the "**slide zones**" and then eventually there's another set of these that

Page: 151

 New Ascension Earth **Slide Zones**, so it can undergo healing so we don't have

Page: 174

 is what the **Slide Zones** are for So at the moment we've again gone

Page: 182

 called the Aurora **Slide Zone**. The Aurora Slide Zone is an energy field that

 Zone. The Aurora **Slide Zone** is an energy field that from the beginning of

Page: 183

 called the Aurora **Slide Zone**. The Slide Zone activates through a process of activating

 Slide Zone. The **Slide Zone** activates through a process of activating what are called

 open up a **Slide Zone**. The first level of a Slide Zone, which is

 level of a **Slide Zone**, which is a 3-dimensional reality field that has
 that will open **Slide Zone-2**. And again it's another 3-dimensional set, it's

Page: 184

 reality field of **Slide Zone-1** that would be like the Density-1 Slide
 the Density-1 **Slide Zone** and this would be the Density-2 Slide Zone,
 the Density-2 **Slide Zone**, then the Density-3 Slide Zone ... So it
 the Density-3 **Slide Zone** ... So it would give you 3 densities of
 will be the **Slide Zones**, and we're having a very rapid activation at this
 point of the **Slide Zones**. When we referred to before the Gyrodome .. The

Page: 186

 places in the **Slide Zones**. So eventually they are going to teach us how

Page: 218

 and form a **Slide Zone-1**, which itself will be a three dimensional system-
 frequency one. Then **Slide Zone-2** would be from Aurora-2 and 3 Platforms
 and merging together. **Slide Zone-3** would be from Aurora-3 and Aurora-4
 is in the **slide zone**. That is what we mean by activating the Gyrodome
 do with the **slide zones**. I just want to get them to where they

Page: 221

 with the Aurora **slide zone** sets So, we're actually activating the Gyrodome very quickly.
 Aurora platforms and **slide zones** on the map. So, each span has one of

Page: 252

 fields and the **slide zones**, all of this is assisting to buffer the planet

Page: 261

 important, and the **Slide Zones**. They're giving them a place to step down TO,
 get us through **Slide Zones**. They will probably come and do something here to

Page: 294

 fields, the Aurora **slide zones**, that are that halfway modulation spot This is going

Page: 295

 all sorts of **slide zone** opportunities opening up for people all over the place,

Page: 301

 of where the **slide zone** is. But, they would actually be able to come

Page: 308

 level1 opens this **slide zone** area. In-between here, you would have the Ecousha
 go into the **slide zones**, and these are progressively being activated and it's almost
 the Aqualene sun **slide zones**. I'm not going into where is everybody, because this

Page: 309

 get to the **slide zones**, so we can go back and forth between them,
 into safe zones, **slide zones**. There is still a big mission here for us.

Page: 335

 right now called **Slide Zones**, Aurora Slide Zones that are part of what is
 Slide Zones, Aurora **Slide Zones** that are part of what is called the New
 is the Aurora **Slide Zone** Field that becomes the New Earth Ascension Field. And
 you can enter **Slide Zones**, but that requires quantum building. It requires what's called
 enter into the **Slide Zones** that are part of the New Earth Ascension Field.

Page: 356

 understand where a **Slide Zone** is, where the Slide Zone is in relation to
 is, where the **Slide Zone** is in relation to where we are right now,

Page: 369

 the two easiest **Slide Zones** to get to first You'd probably be taken down

Page: 443

 what are called **Slide Zones**, will be able to undergo its natural evolution and
 to open the **Slide Zones**. The Slide Zones ... there's four Slide Zones. The
 Slide Zones. The **Slide Zones** ... there's four Slide Zones. The first three are
 ... there's four **Slide Zones**. The first three are opened as of this time.
 talk about the **Slide Zones**, and the New Earth ascension field, that is where

Page: 446

getting to the **Slide Zones** faster There's something else that that will do for

Page: 451

with bringing the **Slide Zones** . they are already open, but opening them into

Page: 454

into the Aurora **Slide Zones** of the Ascension Earth, and then eventually some of

Page: 469

we talk about **slide zones** and even when we talked early, way, way back

Page: 470

not only keep **slide zones** open so people can progressively regenerate their Kristiac gene

Page: 472

platforms, in the **slide zones**. The slide zones are already there. They are part

slide zones. The **slide zones** are already there. They are part of the encryption

into the ascension **slide zones** ... there's going to be something noticeable that isn't
